

NHS Generic email addresses 26 June 2024

Please note that starting on the **1st of July 2024**, Cervical Screening London (CSL) will be changing all our NHS generic email addresses, and the old ones will no longer be in use.

NHSmail will be switching on Multi Factor Authentication (MFA) for all users on the 1st of July 2024, and our current mailboxes will be affected, hence the change to the new NHS shared mailboxes (see below).

To email Cervical Screening London, please select the most appropriate email address from the options below.
